Signs & Symptoms: _____

Parent/Legal Guardian informed authorization/release to assist in administering an EpiPen®:	Parent/Legal Guardian Initials
I/we have requested that an EpiPen® be administered in the event of an anaphylaxis emergency. I/we understand that this will be administered by a person without medical or nursing training. I/we understand that Recreation Services program staff will only assist in the administration (participant hand on EpiPen® with staff hand over participant hand) of an EpiPen®.	
I also understand that it is the policy of the City of Markham to transport any child who has required an EpiPen® injection via ambulance to a hospital for immediate medical care. I give my permission for this follow-up care.	
I/we agreed to provide Recreation Services staff with a written, updated medical statement whenever there is a change in the physician's instructions with respect to medication	
I/we also agree that the participant will carry the EpiPen® on their person at all times. Should they arrive at the program without their EpiPen®, they will be removed from program activities until a parent can arrive on site with the EpiPen® or pick up the child. If my child is authorized to carry his/her own EpiPen® I will ensure that they wear an EpiPen® waist band otherwise I authorize their Counsellor to carry it in a fanny pack.	
I am fully aware that the Town of Markham Recreation Services staff are in no way able to provide or promise a risk free or allergen-free environment for my child.	
I understand that my child must wear a Medical Alert bracelet at all times while at camp	

The camper(s) listed on this form do not have any medical conditions, allergies or special dietary requirements.

Parent/Guardian Name (Printed)

Parent/Guardian Signature

Date

Personal information contained on this form is collected under the authority of the Municipal Act, and will be used solely to determine informed authorization/release for assistance in administering an EpiPen® to the above named camper.
